**Everycontractor finalizes with Golden State Builders Exchanges**

**Golden State Builders Exchanges partner exclusively with Everycontractor**

Las Vegas-March 26, 2001-Everycontractor, a leading destination hub enabling businesses to create an Internet presence for the building and construction industry, today announced that it has finalized a long-term exclusive agreement with the Golden State Builders Exchanges as the premier Internet web hosting and web page building destination for the building and construction industry on the Internet. It is made up of 30 member exchanges and has been around for over 100 years. The Golden State Builders Exchanges has long been recognized as the single most important representation to the building and construction industry in the state of California. This is the only entity in the state of California to represent construction on a broad basis. Its charge is to be the voice of the industry abroad and help its membership become more competitive. With the new long term agreement Everycontractor has exclusive rights to permission market to a membership database that ranges from 25,000 to 50,000 individual member companies.

### **About Everycontractor, Inc.**
